

SONO MOTORS

Driving Electric Until Your Sion Arrives

IN ORDER TO BRIDGE THE WAITING TIME FOR YOUR SION, AND TO ENABLE YOU TO DRIVE ELECTRICALLY AS FAST AS POSSIBLE, WE KINDLY OFFER YOU SEVERAL INTERIM SOLUTIONS. HERE, WE FOCUS ON THE SOLUTION THROUGH A RENAULT ZOE.

You can finance or lease a Renault ZOE at a reduced rate from Renault Deutschland AG to bridge the waiting time for your Sion. 500,00€ of your Sion deposit will be applied on the Zoe offer. This amount will be offset from the down payment you have previously made for the Sion. This means you do not have to spend additional money on the down payment for your bridging vehicle. The reservation on your Sion will be upheld and the amount of your Sion deposit will be transferred to the ZOE offer.

The following examples take into account the adjusted BAFA subsidy of 6,100€.

EXAMPLE

Financing and the amount of down payment:

Below you will find an example of a financing offer from Renault Deutschland AG. To receive a binding offer or to adapt it to your individual needs, please contact one of the 12 Renault branches listed below directly. Please also note the key conditions below.

Your conditions, when you transfer € 500 of your Sion deposit to the ZOE offer:

Monthly financing rate: 177 euros

Financing period:

24 months and 7,500 kms mileage per year

Plus final installment: 18.774 euros

EXAMPLE

Leasing and the amount of down payment:

Below you will find an example of a leasing offer from Renault Deutschland AG. To receive a binding offer for your requirements or to adapt it to your individual needs, please contact one of the 12 Renault branches listed directly. Please also note the key conditions below.

Your conditions, when you transfer € 500 of your Sion deposit to the ZOE offer:

Monthly leasing rate:
170 euros

Leasing period:
24 months and 7,500 kms mileage per year

KEY CONDITIONS

The leasing and financing offers presented here are just examples. In these examples, it is assumed that the equipment features (see page 4) of the Zoe INTENS R135 Z.E.50 without service contracts and a planned annual mileage of 7,500 km are adopted unchanged. A change in equipment or annual mileage may result in higher costs. The monthly financing or leasing instalments include a subsidy from BAFA (Federal Office of Economics and Export Control) in the amount of **€ 6,100**. Information about the BAFA grant can be found [here](#). Please note that you have to apply for this grant yourself at BAFA.

In order to receive a binding offer for your requirements, please contact one of the 12 Renault branches listed directly. The leasing and financing offers are an offer of Renault Deutschland AG and its financing partners; only the contractual conditions of Renault Deutschland AG and its sales partners apply. Sono Motors will not be a party of such contracts. Sono Motors assumes no responsibility for the accuracy and actuality of the examples of leasing and financing offers presented here.

The leasing and financing offers from Renault Deutschland AG and/or its financing partners are only valid for you if you are a resident in Germany and only if you are the holder of a Sion reservation that you have made on or before 15 March 2021. There is no entitlement to conclude the leasing and financing contracts vis-à-vis Sono Motors. Sono Motors is not responsible for the conclusion of the respective contracts between Renault and you. Renault's offer can only be used by presenting a corresponding participation code. The „General Terms and Conditions for Settling the Reservation Amount for the Purchase of a Participation Code“ of Sono Motors GmbH apply exclusively to the settling of the reservation amount for the purchase and use of a participation code.

YOUR BRIDGING VEHICLE
